

VISION 2030

We envision a world where everyone has the knowledge and power to shape a more just society.

To achieve this we ...

FOSTER DEMOCRATIC CULTURE

Our mission is to advance civic and law-related education to empower all people to positively transform their world.

To bring this mission to life we ...

- ▶ Scale and sustain civic and law-related education opportunities in schools and communities.
- ▶ Equip people with practical legal knowledge and life skills to understand, navigate, and influence the systems that shape their lives.
- ▶ Broaden access to legal career pathways through education, mentorship, and career preparation.
- ▶ Cultivate rule-of-law culture through education and community initiatives.
- ▶ Strengthen diversion programs for system-impacted youth through conflict resolution and education.
- ▶ Foster civil dialogue and build skills to discern and discuss contested public issues.
- ▶ Create opportunities for civic action and youth leadership.
- ▶ Expand programs to elementary schools and higher education.
- ▶ Develop peer-to-peer learning networks and communities of practice to grow impact.
- ▶ Build the capacity of people within education, legal, and justice systems to deliver our program models with fidelity and excellence.

INTEGRITY / INCLUSION / COURAGE / EXCELLENCE

Our core values are at the foundation of all we do.

To put them into action we ...

- ▶ Center participant voices and lived experiences.
- ▶ Promote interactive, learner-centered teaching.
- ▶ Connect knowledge to real-world practice.
- ▶ Design for access and inclusion.
- ▶ Innovate for scale and sustainability.
- ▶ Foster locally led solutions.
- ▶ Leverage partnerships.
- ▶ Deploy technology responsibly.
